organize the world's information  
to make it universally accessible  
and useful

the experience matters

stories from the field

**“I just had to write and say thank you for helping me to find a cure for my Labrador Ben...”**

**- DAMIAN, UNITED KINGDOM**

**“I recently found my childhood girlfriend and I'm convinced it never would have happened without Google...”**

**- ELINOR, CALIFORNIA**

billions of bits at the ready

Goal: perfect search engine

Thanks!
